USDA approved for use in meat and poultry processing plants

Benefits

Economical
Versatile
Fast Acting Concentrated
Mixes with water in all proportions

Kar-M-1 is available in 6 gallon pails, 55 gallon drums, tote and bulk deliveries

Description

Kar-M-1 is a superior low foaming, heavy duty liquid alkaline degreaser. It is designed to be used in floor scrubbers and steam cleaning equipment. Stubborn tars, greases, carbonized oils and caked-on imbedded soils are softened and removed. The surface will rinse clean and clear with potable water.

Directions for Use

For Steam Cleaners:

Heavy duty steam cleaning: mix 1 pint of *Kar-M-1* with 5 gallons of water.

Extra heavy duty steam cleaning: mix 1 quart of *Kar-M-1* with 5 gallons of water.

Typical Uses

Kar-M-1 has wide applications in steel mills, maintenance and repair shops, diesel shops, industrial plants, central garages and all other areas where oil and greases are tenacious and difficult to remove.

Note:

This product will attack aluminum, zinc, tin and other soft metals and should not be used on painted surfaces since it will fade, soften or remove paints.

IMPORTANT: Before using *KAR-M-1*, always be sure to read and follow warnings and directions for use appearing on the product container label and MSDS. (Sep06)
