Penblitz 422H is available in bulk, 345 gallon
totes, 55 gallon drums, and 6 gallon pails.
1440A.bul.wpd (Feb04)

Description

Penblitz 422H is a heavy duty liquid alkaline cleaner designed for use on a multitude of tough soils in many different areas. Stubborn greases, tars, and oils can be removed without damage to most surfaces. Rinsing will leave a film and streak free surface.

Use Directions

Concrete and Unpainted Floors: Mix *Penblitz 422H* 1:1 to 1:20 with water for general cleaning. Apply with mop or sprayer. Scrub if necessary. Rinse with water.

Mill Floors and Oil Cellars: Mix *Penblitz 422H* 1:1 to 1:10 with water depending on severity of soil. Apply evenly. Brush if necessary. Rinse with water.

High Pressure Spray Washing: Mix *Penblitz 422H* 1:10 to 1:50 with water. Use the lowest pressure that will do the job effectively, holding nozzle close to surface to insure maximum impingement. Rinse with water.

Heavy Duty Steam Cleaning: Mix *Penblitz 422H* 1:40 with water. Steam or water rinse.

Extra Heavy Duty Steam Cleaning: Mix *Penblitz 422H* 1:20 with water. Where possible, pre-wet the entire surface prior to steam cleaning. Use the lowest pressure that will do the job effectively, holding nozzle close to surface to insure maximum impingement. Steam or water rinse.

Important: *Penblitz 422H* is safe on brass, copper and steel. It will have a mild etching effect on aluminum.

IMPORTANT: Before using *Penblitz 422H*, always be sure to read and follow warnings and directions for use appearing on the product container label and MSDS.
