

GENERAL PRODUCT

PENBLITZ™ 583L

Heavy-Duty Liquid Detergent

FEATURES/BENEFITS

Features

- Highly concentrated
- No flash or fire point
- Biodegradable
- Versatile
- Free rinsing
- Extremely cost effective
- No solvent disposal
- Convenient to use
- Labor reductions

Penblitz 583L is available in 6 gallon pails, 55 gallon drums, totes and bulk deliveries

Description

Penblitz 583L is a highly concentrated liquid alkaline and is extremely effective in removing grease, oil, rust, scale and paint quickly and economically in a variety of cleaning applications. *Penblitz 583L* is safe for use on most metal surfaces and will not harm glass, plastics, rubber, concrete or cement surfaces.

Directions for Use

STEAM CLEANING:

Heavy Duty - Dilute 1 pint *Penblitz 583L* to 5 gallons of water.

Extra Heavy Duty - Dilute 1 quart *Penblitz 583L* to 5 gallons of water.

Paint Stripping - Dilute 2 to 3 gallons of *Penblitz 583L* to 40 to 50 gallons of water.

HOT TANK CLEANING: First mix 1 part *Penblitz 583L* with 4 to 10 parts cool water then heat solution up to 140° F. to 200° F. Adjust dilution ratios for effective soil removal. Parts should be water rinsed after cleaning.

Important:

Metal Safety - When used as directed, *Penblitz 583L* is safe for use on the following metals and surfaces: brass, bronze, cadmium, chromium, copper, iron, lead, magnesium, nickel and stainless steel. It is not recommended for use on aluminum, galvanized metal, tin or zinc.

IMPORTANT: Before using *PENBLITZ 583L*, always be sure to read and follow warnings and directions for use appearing on the product container label and MSDS. (Dec04)
