### Description

*Citrikleen GR* is a water based natural solvent graffiti remover based on d-limonene developed initially for the New York City Transit Authority. It offers improved worker safety over using a chlorinated solvent material to perform this task. It also offers reduced reporting requirements and a pleasant odor. *Citrikleen GR* is listed under NYCTA Commodity Code 70-17-1515.

### Use Directions

SHAKE WELL BEFORE USING. Use *Citrikleen GR* as is or diluted up to 1 part product to 10 parts water depending on the amount of graffiti to be removed. Apply product with sponge or cloth to surface to be cleaned. Wipe surface. Use dry cloth to remove excess.

**IMPORTANT:** *Citrikleen GR* may craze or soften certain plastics and may affect certain paints. Pretest on part to be cleaned before use.

**IMPORTANT:** Before using *Citrikleen GR*, always be sure to read and follow warnings and directions for use appearing on the product container label and MSDS.
