

# PENBLITZ™ 228M

## Heavy Duty Transportation Cleaner

### FEATURES/BENEFITS

#### Features

Biodegradable  
Controlled foam  
Free rinsing  
Aluminum safe  
High dilution  
Leaves bright, shiny, surface

#### Benefits

Easy to dispose  
Leaves no film  
One product for all vehicles  
Economical

*Penblitz 228M* is available in 6 gallon pails, 55 gallon drums, totes and bulk deliveries.

### Description

*Penblitz 228M* is a concentrated alkaline cleaner, formulated to provide superior exterior cleaning of trucks, buses and locomotives.

*Penblitz 228M* will help remove typical over-the-road soils, including road film, mud, bugs, salt residues and lubricating oils, leaving the surface clean and bright.

*Penblitz 228M* will clean without brushing when used according to directions and is also highly effective when applied by bucket and brush.

### Typical Use Directions (also see product label)

<u>Method of Use</u>	<u>Average Dilution Rate</u>	<u>Application</u>
Bucket and brush	1:50 parts water	Brush solution onto surface, agitating where necessary. Hose water rinse.
High Pressure Units. No brushing	1:25 parts water	Spray onto surface, allowing a short dwell time. Pressure water rinse.
Automated washer with brushing	1:100 parts water	Spray onto surface allowing a short dwell. Brush and rinse.

**NOTE:** For best results, surface to be cleaned should be dry. Do not pre-rinse.

**IMPORTANT:** Before using *PENBLITZ 228M*, always be sure to read and follow precautions and directions for use appearing on the product container label and MSDS. (Jul04)
