### Description

*Penblitz 406L* is an extremely fast acting, heavy-duty cleaner formulated with powerful penetrating and soil-lifting properties. A single wipe with *Penblitz 406L* will dissolve oil and pick up most hard-to-remove soils instantly. *Penblitz 406L* is safe on most metals and is well suited for use on equipment, concrete walls and floors, pads, pumps, storage tanks, piping and other washable surfaces.

### Typical Use Directions (also see product label)

#### For Normal Cleaning Applications:

**Heavily soiled floors:** Apply undiluted, brush with stiff bristle brush, rinse.

**General floors:** Mix 1:10 to 1:20 with water, mop or brush, rinse. Or use at 1:30 to 1:40 in automatic floor scrubbers.

**Machinery:** Mix 1:10 to 1:30, spray on, brush if necessary, rinse.

**Steam cleaning:** Mix 1:20 to 1:40. Pre-wet surface.

**Transportation equipment:** Mix 1:20. Wash from bottom up. Rinse from top down.

**High Pressure Washing:** Mix 1:20 to 1:40. Wash from bottom up. Rinse from top down.

**IMPORTANT:** Before using *Penblitz 406L*, always be sure to read and follow warnings and directions for use appearing on the product container label and MSDS.
