

NAVEE 42TM

Heavy Duty Solvent Emulsion Degreaser

FEATURES/BENEFITS

Features

- Safe on all metals
- Heat not required
- Removes the heaviest deposits
- Works fast
- Water rinsable
- Increased viscosity
- No flash point to boiling (212°F)

Benefits

- Versatility
- Saves energy
- Reduces labor in cleaning
- Clings to vertical surfaces
- Economical

Navee 42 is available in 6 gallon pails, 55 gallon drums, totes and bulk deliveries.

Description

Navee 42 is a unique cleaning product containing solvent detergents and emulsifiers and is formulated for use in the heaviest cleaning applications.

Navee 42 should be used in industrial environments such as; steel mills, paper mills, asphalt application, refineries and power plants to effectively remove greases, tars and resins from production equipment, floors, castings, cellars and tools.

Typical Uses (also see product label)

Manual Operations: Dilute concentrate with water at 1:4 to 1:10. Wipe on, wipe off. Wear neoprene gloves.

Pressure Spray Methods: Dilute concentrate with water at 1:20. Use a coarse spray at long distance. Do not fine mist this product.

Tank Immersion Method: Mix concentrate with water at 1:4 to 1:10 depending on the degree of soil to be removed.

For extremely heavily soiled surfaces, use *Navee 42* concentrated or diluted 1:1 with mineral spirits. When applied concentrated or mixed 1:1, the product is somewhat viscous and is ideally suited for cleaning upright surfaces. *Navee 42* will cling to the surface until rinsed off.

Note: The product may attack certain flooring and plastics; pre-test on these surfaces before using.

IMPORTANT: Before using NAVEE 42, always be sure to read and follow precautions and directions for use appearing on the product container label and MSDS. (Sep06)
