

## GENERAL PRODUCT

# POWER CLEANER™

## Low Foaming Multipurpose Cleaner

### FEATURES/BENEFITS

Low in Use Dilution Cost  
Environmentally Sound  
Rapid Soil Penetration  
Safe on Most Metals  
Fast Free Rinsing  
Complete Solubility in Hot or Cold, Soft or Hard Water  
Exceptionally Low Foaming  
Economical to Use  
Many Diverse Applications  
Nonflammable  
Film Free Streak Free Cleaning  
Pleasant to Work With

*Power Cleaner* is available in 55 gallon drums, 6 gallon pails and 4 x 1 gallon cases.

1848.bul.wpd (Oct07)

### Description

*Power Cleaner* is a highly concentrated, liquid alkaline, low foaming detergent for use in manual application, power sprayers, and in steam cleaning and power scrubbing equipment.

### Safe on a wide variety of surfaces

When used as directed *Power Cleaner* is safe to use on the following surfaces:

**Metal** - Use *Power Cleaner* on brass, bronze, chromium, copper, iron, lead, nickel, steel, and aluminum. *Power Cleaner* at high concentrations may attack some aluminum surfaces. It is recommended that you test *Power Cleaner* on aluminum surfaces prior to use.

**Floor surfaces** - Use *Power Cleaner* on concrete, masonite, cork, sealed wood, rubber, ceramic, linoleum, vinyl, asphalt tile, marble, and terazzo in dilutions of one ounce per gallon of water or less.

**General Surfaces** - Use *Power Cleaner* on most all washable surfaces. (continued)

**IMPORTANT:** Before using *Power Cleaner*, always be sure to read and follow warnings and directions for use appearing on the product container label and MSDS.
