

CITRIKLEEN® MIL

Biodegradable, Water-Dilutable Solvent Cleaner/Degreaser

FEATURES/BENEFITS

Features

- Excellent grease and oil cleaner
- Pleasant odor
- Free of chlorinated solvents
- Mixes with water
- Soils float in separator

Benefits

- Restores appearance of soiled equipment
- Economical
- Easy to use

U.S. Patent 4,511,488
Canada Patent 1,222,425

Citrikleen MIL is available in 6 gallon pails, 55 gallon drums, totes and bulk deliveries.

Description

Citrikleen MIL is new technology for heavy-duty degreasing that meets the needs of today's military applications. The patented formulation will assist base environmental officials in meeting the need for hazardous waste minimization.

Citrikleen MIL is a water-based, heavy-duty solvent cleaner that provides a state of the art formulation that can easily be disposed of in a functioning oil/water separator. *Citrikleen MIL* is an excellent cleaner for vehicle engines, axles, casings and disassembled parts. Typically mixed with water, it is pleasant to use and economical.

Directions for Use

| <i>Use</i> | <i>Application</i> | <i>Method</i> |
|--|---|--|
| Degreasing tracked vehicle hulls and packs | Apply with Penetone Model 865 foamer | Brush heavily soiled area followed by high pressure water rinse |
| Exterior vehicle cleaning | Apply with Penetone Model 865 foamer | Brush heavily soiled areas followed by high pressure water rinse |
| Small parts cleaning | Mix 1:1 ratio in bucket, use cold | Use cleaning brush, shop towel dry |
| Oil spot removal from floors & decks | Mix 1:1 ratio in Penetone 191 sprayer and flood soiled area | Brush and rinse |

IMPORTANT: Before using *CITRIKLEEN MIL*, always be sure to read and follow warnings and directions for use appearing on the product container label, MSDS and applicable current technical manual. (Jul04)
