Description

Penair M5571 Aerosol is a ready to use heavy-duty, biodegradable, solvent-based exterior aircraft cleaner. It is suitable for use in cleaning and spot cleaning all painted and unpainted aircraft surfaces. *Penair M5571 Aerosol* will eliminate streaking problems and improve aircraft appearance.

Penair M5571 Aerosol is effective at removing exhaust deposits, cleaning wheel wells and removing hydraulic fluid from wing flap areas.

Directions for Use

Remove cap. Spray *Penair M5571 Aerosol* onto surface to be cleaned. Allow up to 3 minutes dwell time. Scrub with a brush or rub with clean cloth. Rinse thoroughly with fresh water or wipe dry.

IMPORTANT: Before using *PENAIR M5571 Aerosol*, always be sure to read and follow warnings and directions for use appearing on the product container label, MSDS and applicable current technical manual. (Aug12)
