

### CITRIKLEEN PRODUCT LINE

**Citrikleen CA** is a patented, biodegradable, water-soluble, heavy-duty cleaner/degreaser formulated with a non-petroleum organic solvent and multi component surfactant emulsifier system to achieve superior cleaning and degreasing capabilities. Used in concentrated form or at various water dilution rates, **Citrikleen CA** will rapidly penetrate and lift the widest range of petroleum, animal and vegetable based oils, fats and greases, which are then easily removed by water rinsing.

The oily contaminants in used **Citrikleen CA** solutions, left in a still tank or holding pond after cleaning, will rise to the surface and separate. This oil may be removed by topskimming. The remaining bottom layer is a biodegradable, reusable liquid cleaning solution which can be easily disposed of in accordance with local and/or governmental regulations if no longer needed.

### FEATURES AND BENEFITS

- Biodegradable
- No petroleum hydrocarbons
- Non-chlorinated
- Water soluble
- Pleasant odor
- Reduces hazardous waste
- User friendly
- Superior cleaning
- Economical
- Eliminates the need for many solvents

#### Use procedures

**Citrikleen CA** can be used in almost any industrial transportation or general plant maintenance operation. Diluted with water, **Citrikleen CA** is most effective as follows:

For removal of heavy grease and oils on shovel sticks, trucks, mill stands, floors, oil cellars, tar pumps and valves.

Carbonized oils and greases are easily removed from engines, transmissions, motors, housings and metal parts with **Citrikleen CA** in spray, foam, brush, or dip applications, followed with a water rinse.

In waste treatment plants, **Citrikleen CA** is used for cleaning, degreasing and deodorizing lift stations, wet wells and walls, catwalks, bar screens, sump pumps, scum pits and troughs, transfer pipes and equipment.

For heavy-duty cleaning and degreasing of industrial plant areas - from floors and walls, machinery and metal parts to production equipment, transport and mobile equipment, forklift trucks and associated materials handling equipment and metal areas.

*See product label for complete instructions and dilution rates.*

# CITRIKLEEN® CA

BIODEGRADABLE, WATER-SOLUBLE SOLVENT CLEANER

## PHYSICAL PROPERTIES

Appearance	Amber liquid
Odor	Citrus
pH	About 10
Freezing Point	About 30°F
Boiling Point	About 212°F
Flash Point	125°F PMCC, 165°F COC
Relative Density	0.98
Auto-Ignition Temperature	Not determined
Water Solubility	Emulsifies
Viscosity	10 to 30 CP at room temperature

## INCOMPATIBILITY

Strong oxidizing agents.

## WAREHOUSING PRECAUTIONS

Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store locked up. Do not store near heat, sparks, open flame, or other ignition sources. Do not store in direct sunlight. Avoid storing above 120°F (49°C).

## AVAILABLE SIZES

5 gallon Pail

55 gallon Drum

## FIRST AID MEASURES

**If in eyes:** Rinse cautiously with water for several minutes. If contact lenses present, remove them if easy to do. Continue rinsing for several minutes. Immediately call a poison center, doctor, physician or other competent medical authority for medical advice. Penetone recommends that after any eye exposure and initial treatment a physician be seen immediately.

**If swallowed:** Rinse mouth. Immediately call a poison center, doctor, physician or other competent medical authority. Product presents an aspiration hazard. DO NOT INDUCE VOMITING.

**If inhaled:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center, doctor, physician or other competent medical authority for medical advice.

**If on skin:** Take off immediately all contaminated clothing. Rinse skin with water or shower. A mild soap may be used. Wash contaminated clothing before reuse. Immediately call a poison center, doctor, physician or other competent medical authority for medical advice. If skin irritation or rash occurs: Get medical advice or attention.

## PERSONAL PROTECTION Security equipment

WHMIS

**IMPORTANT:** Before using CITRIKLEEN CA, always be sure to read and follow precautions and directions for use appearing on the product container label and on the safety data sheet (S.D.S).
