

CITRIKLEEN PRODUCT LINE

**Citrikleen GR** is a water based natural solvent graffiti remover based on d-limonene developed initially for the New York City Transit Authority. It offers improved worker safety over using a chlorinated solvent material to perform this task. It also offers reduced reporting requirements and a pleasant odor.

FEATURES AND BENEFITS

- Non chlorinated
- No SARA Title III Section 313 reportable components
- Pleasant odor
- Fast acting
- Improved worker safety

**Use procedures**

**SHAKE WELL BEFORE USING.**

Apply product with sponge or cloth to surface to be cleaned. Wipe surface. Use dry cloth to remove excess.

**Concentration**

Use **Citrikleen GR** as is or diluted up to 1 part product to 10 parts water depending on the amount of graffiti to be removed.

**Important**

**Citrikleen GR** may craze or soften certain plastics and may affect certain paints. Pretest on part to be cleaned before use.

# CITRIKLEEN® GR

## WATER BASED NATURAL SOLVENT GRAFFITI REMOVER

### PHYSICAL PROPERTIES

Appearance	White liquid
Odor	Mild citrus
pH	4-5
Freezing Point	About 32°F
Boiling Point	About 212°F
Flash Point	115°F PMCC
Relative Density	0.91
Auto-Ignition Temperature	Not determined
Water Solubility	Emulsifies
Viscosity	800 to 1500 CP at room temperature

### APPROVALS

NYCTA Commodity Code 70-17-1515

### INCOMPATIBILITY

Strong oxidizing agents.

### WAREHOUSING PRECAUTIONS

Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store locked up. Do not store near heat, sparks, open flame, or other ignition sources. Do not store in direct sunlight. Avoid storing above 120°F (49°C).

### AVAILABLE SIZES

4 X 1 gallon Case

55 gallon Drum

### FIRST AID MEASURES

**If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists or develops: Get medical advice or attention. Penetone recommends that after any eye exposure a physician be seen immediately.

**If swallowed:** Immediately call a poison center, doctor, physician or other competent medical authority. Rinse mouth. Product presents an aspiration hazard. DO NOT INDUCE VOMITING.

**If inhaled:** Remove person to fresh air and keep comfortable for breathing. Call a poison center, doctor, physician or other competent medical authority if you feel unwell.

**If on skin (or hair):** Take off immediately all contaminated clothing. Rinse skin with water or shower. A mild soap may be used to wash skin. Wash contaminated clothing before reuse. If skin irritation or rash occurs: Get medical advice or attention.

### PERSONAL PROTECTION Security equipment

WHMIS

**IMPORTANT:** Before using CITRIKLEEN GR, always be sure to read and follow precautions and directions for use appearing on the product container label and on the safety data sheet (S.D.S).
