

GENERAL USE

Penetone ET is the first patented, heavy duty industrial biodegradable degreaser made from over 90% naturally derived renewable resources. It is formulated to achieve exceptional performance while not containing harsh alkalis, flammable or combustible solvents, ethylene glycol based products or other ingredients considered hazardous or reportable.

Penetone ET has numerous cleaning applications in an industrial environment. **Penetone ET** will remove oils, greases, hydraulic oils, cutting fluids, rust preventatives and similar soils from painted surfaces, cement pads, metal shafts and bearings.

FEATURES AND BENEFITS

- Made from regenerative raw materials
- No petroleum distillates, chlorinates, or silicates
- Use at all temperatures
- No SARA Title III reportables
- Disposal problems minimized
- Very low odor
- Superior soil suspension

DIRECTIONS FOR USE

Use procedure

Heavy soild equipment

Use undiluted or up to 1 part to 3 parts water. Spray on, brush if needed, rinse.

Plant floors

Mix one part to 20 parts water. Mop and rinse or use in automated scrubber.

Cement pads

Use undiluted or up to 1 part to 4 parts water. Spray on, dwell 10-30 minutes, brush and rinse.

Tools

Use undiluted or up to 1 part to 10 parts water. Immerse for 10 minutes. Brush then rinse.

PENETONE® ET

BIODEGRADABLE NATURAL SOLVENT DEGREASER

PHYSICAL PROPERTIES

Appearance	Clear yellow/amber liquid
Odor	Mild
pH	About 9
Freezing Point	About 32°F
Boiling Point	About 212°F
Flash Point (TCC)	None to boil
Relative Density	0.97
Auto-Ignition Temperature	Not determined
Water Solubility	Emulsifies
Viscosity	10-30 CP at room temperature

INCOMPATIBILITY

Strong oxidizing agents, acids or bases.

WAREHOUSING PRECAUTIONS

Keep container tightly closed when not in use. Do not store in direct sunlight. Avoid storing above 120°F (49°C).

AVAILABLE SIZES

5 gallon Pail

55 gallon Drum

FIRST AID MEASURES

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists or develops: Get medical advice or attention. Penetone recommends that after any eye exposure a physician be seen immediately.

If swallowed: Rinse mouth. Call a poison center, doctor, physician or other competent medical authority if you feel unwell.

If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center, doctor, physician or other competent medical authority if you feel unwell.

If on skin: Wash with plenty of water or a mild soap. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical advice or attention.

PERSONAL PROTECTION Security equipment

WHMIS

IMPORTANT: Before using **PENETONE ET**, always be sure to read and follow precautions and directions for use appearing on the product container label and on the safety data sheet (S.D.S).
