

GENERAL USE

Penpower 150H is a dustless, free flowing, tan powder, that dissolves quickly in water.

Penpower 150H contains emulsifying, penetrating, and grease dissolving ingredients, and is ideal for a wide variety of applications.

Penpower 150H can be used for: removing machinery oils and buffing compounds prior to electroplating, steam cleaning of transportation equipment, hot tank cleaning of engine blocks, and concrete deck and general floor cleaning.

FEATURES AND BENEFITS

- Effective at low concentrations
- Safe on all metals
- Hard water tolerant
- Excellent rinsability
- Caustic free
- Economical to use
- One product for all metals
- Less hazardous to use than caustic products
- Bright soil-free surface after rinsing

DIRECTIONS FOR USE

Use procedures

Hot Tank Cleaning and Degreasing

Use 6 to 10 ounces per gallon of water between temperatures of 180°F to boiling. Immersion time is dependent on type and degree of soil to be removed.

Steam Cleaning

Use 2 to 4 ounces per gallon of water.

High Pressure Washing

Use 1/2 to 1 ounce per gallon of water for heavy-duty transportation equipment washing.

Manual cleaning

Used 2 to 4 ounces per gallon of hot water. For heavy soil build-up, 3 to 6 ounces per gallon is recommended.

PENPOWER 150H

NON CAUSTIC HEAVY DUTY CLEANER

PHYSICAL PROPERTIES

Appearance	White free flowing powder
Odor	Bland
pH	Not applicable
Freezing Point	Not applicable
Boiling Point	Not applicable
Flash Point (TCC)	Not applicable
Relative Density	Not applicable
Auto-Ignition Temperature	Not applicable
Water Solubility	Complete
Viscosity	Not applicable

INCOMPATIBILITY

Strong acids.

WAREHOUSING PRECAUTIONS

Store locked up. Keep container tightly closed when not in use.
Do not store in direct sunlight.
Avoid storing above 120°F (49°C).

APPROVALS

CID A-A-59146A

175 gallon Drum

450 gallon Drum

FIRST AID MEASURES

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center, doctor, physician or other competent medical authority for medical advice. Penetone recommends that after any eye exposure a physician be seen immediately.

If swallowed: Rinse mouth. DO NOT INDUCE VOMITING. Immediately call a poison center, doctor, physician or other competent medical authority for medical advice.

If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a local Poison Control Center, physician, or other competent medical authority for medical advice.

If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. A mild soap may be used to wash skin. Wash contaminated clothing before reuse. Immediately call a local Poison Control Center, doctor, physician or other competent medical authority for medical advice.
