

GENERAL USE

Steam-Kleen is a fast acting, economical liquid steam cleaning detergent specially formulated for industrial and transportation use. It quickly and efficiently removes heavy greases, carbonized oil and caked soils, penetrates deep into crevices, blind holes and other inaccessible areas to get out dirt other cleaners can't touch. It cleans and dries after rinsing without streaking or hazing. It is safe on all metals as well as painted and non-painted surfaces. **Steam-Kleen** is completely soluble, won't clog lines or corrode equipment. It is fortified with water softening ingredients that retard and prevent formation of scale.

FEATURES AND BENEFITS

- Biodegradable
- No SARA-Title III ingredients
- Contains no solvents
- Aluminum safe
- Removes heavy greases and carbonized oil
- Economical: 1 gallon to 40-50 gallons of water

DIRECTIONS FOR USE

Use procedure **Steam-Kleen** can be used for light, medium and heavy-duty cleaning of equipment, machinery and shop areas, fleet and construction equipment maintenance, aviation, public utilities, railroads, petrochemical and food plants and steel mills.

Concentration Light to Medium Duty Cleaning: Mix one gallon of **Steam-Kleen** to 40-50 gallons of water in the solution tank. Adjust solution flow to suit specific cleaning requirements.

Heavy Duty Cleaning: Mix two and a half gallons of Steam-Kleen to 50 gallons of water in the solution tank. Adjust solution flow to suit specific cleaning requirements

STEAM-KLEEN®

FAST, BIODEGRADABLE, STEAM CLEANING COMPOUND

PHYSICAL PROPERTIES

Appearance	Light amber liquid
Odor	Mild
pH	11-11.5
Freezing Point	About 32°F
Boiling Point	About 212°F
Flash Point (TCC)	None to boil
Relative Density	1.11
Auto-Ignition Temperature	Not applicable
Water Solubility	Complete
Viscosity	Less than 5 CP at room temperature

INCOMPATIBILITY

Strong acids or bases.

WAREHOUSING PRECAUTIONS

Keep container tightly closed when not in use. Do not store in direct sunlight. Avoid storing above 120°F (49°C).

AVAILABLE SIZES

5 gallon Pail

55 gallon Drum

FIRST AID MEASURES

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists or develops: Get medical advice or attention. Penetone recommends that after any eye exposure a physician be seen immediately.

If swallowed: Rinse mouth. Call a poison center, doctor, physician or other competent medical authority if you feel unwell.

If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center, doctor, physician or other competent medical authority if you feel unwell.

If on skin: Wash with plenty of water or a mild soap. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical advice or attention.

PERSONAL PROTECTION Security equipment

WHMIS
