

### GENERAL USE

**TPC Solvent** is a waterless solvent developed for use in precision cleaning operations. It is used to remove cutting oils, grease, mold release, fingerprints and other similar soils.

**TPC Solvent** is an excellent replacement for chlorinated solvents, kerosene and mineral spirits.

**TPC Solvent** is authorized by USDA for use only in non-processing plants.

### FEATURES AND BENEFITS

- Low odor
- Dries with no residue
- High dielectric voltage
- Non-chlorinated
- Low vapor pressure
- Safe on all metals
- More pleasant to work with
- Higher quality cleaning
- Safer than most solvents
- Multiple uses

### DIRECTIONS FOR USE

#### Use procedure

Use **TPC Solvent** at room temperature for odorless and effective removal of oils, greases, asphalt, etc. When a water rinse is necessary, dilute with a solvent emulsion degreaser such as **Penmul L950**. **TPC Solvent** may be used on all metals and insulation equipment. It leaves no objectionable residue.

# TPC SOLVENT

## PRECISION CLEANING SOLVENT DEGREASER

### PHYSICAL PROPERTIES

Appearance	Clear liquid
Odor	Mild hydrocarbon
pH	Not applicable
Freezing Point	-80°F
Boiling Point	340-380°F
Flash Point (TCC)	130°F
Relative Density	0.76
Auto-Ignition Temperature	660°F
Water Solubility	None
Viscosity	2 Centistokes

INCOMPATIBILITY
Strong oxidizing agents.

WAREHOUSING PRECAUTIONS
Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store locked up. Do not store near heat, sparks, open flame, or other ignition sources. Do not store in direct sunlight. Avoid storing above 120°F (49°C).

APPROVALS
USDA (non-aerosol)
P-D-680B/A-A-59601B Ty. I (non-aerosol)

AVAILABLE SIZES
5 gallon Pail
55 gallon Drum
15 oz. (aerosol) (12 case)

### FIRST AID MEASURES

**If in eyes:** Rinse cautiously with water for several minutes. If contact lenses present, remove them if easy to do. Continue rinsing for several minutes. If eye irritation develops: Get medical advice or attention. Penetone recommends that after any eye exposure and initial treatment a physician be seen immediately.

**If swallowed:** Immediately call a poison center, doctor, physician or other competent medical authority. Product presents an aspiration hazard. **DO NOT INDUCE VOMITING.**

Inhalation

**If inhaled:** Remove person to fresh air and keep comfortable for breathing. Call a poison center, doctor, physician or other competent medical authority if you feel unwell.

**If on skin (or hair):** Take off immediately all contaminated clothing. Rinse skin with water or shower. A mild soap may be used to wash skin. Wash contaminated clothing before reuse.

### PERSONAL PROTECTION Security equipment

**IMPORTANT:** Before using **TPC SOLVENT**, always be sure to read and follow precautions and directions for use appearing on the product container label and on the safety data sheet (S.D.S).
